

SASKATCHEWAN DENTAL HYGIENISTS' ASSOCIATION

Personal Learning Tool

The Personal Learning Tool is used to assist you in goal setting for your Continuing Competency Program and to reflect upon the knowledge and skills acquired in order to individualize the process to suit your own educational needs.

Date	Presenter/Facilitator	SDHA #
Activity/Topic		Hours:
Please describe the knowledge/skills gained from this activity.		

Of the knowledge/skills gained from this activity, which will you implement into practice?

What constraints (if any) do you foresee in implementing your new knowledge/skills?

Using the National Competencies & Standards (Appendix A of the CCP Guidelines) and/or the SDHA Dental Hygiene Competencies, please relate this activity and or the knowledge/skills learned to a minimum of 3 relevant Competencies/Standards *(Please list the number of the relevant Competency/Standard, i.e. 3.5.1)*

Please retain the completed Personal Learning Tool forms for your full reporting period.

The audit process takes place at the end of reporting periods and if asked, you will be required to submit copies of each PL Tool form that corresponds with your applications for CC Credits (including group applications).
